

PORT OF GREAT YARMOUTH

NOTICE TO MARINERS

No. 5 of 2011

River Port – Geophysical Survey

Notice is hereby given that during the period from 21st November 2011 to 9th December 2011, geophysical survey operations will be carried out during daylight hours, on the west bank of the River Yare on Berths 26, 28, 30C and 30D; on the east bank of the River Yare on Berth 17A and in the River Bure on Berth 22K (Lee Barbers).

Heavy equipment will be placed on and over the floodwall projecting up to 2 metres into the river. During work periods the equipment will be marked by red flags and warning notices both upstream and downstream of the works. Mariners are warned to keep a good lookout, keep clear of the works and pass at slow speed.

If in doubt vessels should contact Yarmouth Radio on VHF Channel 12 for advice and guidance.
